Fraternally Yours

DEAR SISTER OF GOD'S HONOR FLAME: . . . Perhaps you thought, when writing to one of us here, that you had contacted him alone as a prospective student and reader of "The Bridge", but I assure you that you have also contacted many of his fellow-students too. I might have waited until later to write you—until you had written me, perhaps, but the great desire in me for more illumination will not allow me to defer this opportunity which has offered itself. A veritable fountain of interest sprang up in me in the contents of "The Bridge", "The Bulletin" and "Hope" after reading the sample copies you sent here and I assure you that I have digested them very well. . . ."—A student, Accra, Ghana, W. Africa.

EDITOR: Since, of Our Own free-will and determined choice, We have fitted Ourselves to enjoy the beauties and happiness of a loving, forgiving, gracious God—the Heavenly Father of us all—it has become at least one of the most important reasons for Our Being to endeavor to reach through into the outer mind of mankind; get his attention long enough to make him understand that what We so freely and bountifully enjoy is his Divine birthright too; then try as best We can to show him THE WAY We walked which brought Us here and, finally, patiently encourage him to "keep on keeping on" (especially when The Path seems long and difficult) and to believe enough in Our unfailing Divine Love for him—Our willingness as well as ability to stand by him through "thick and thin", until he *also* has attained his Supreme and Ultimate Goal—the Ascension. Can you possibly imagine, then, how great must be Our feelings of gratitude to those who are interested in helping Us expand Our light and instruction in the physical appearance world? Of necessity, We require sincere and willing chelas who will *do something practical* about getting Our instruction before the people. Little does the unascended being know what glorious reward he draws into his world when he succeeds in interesting another lifestream in the purification of that one's world and, by "making things right", be enabled to return to the glory and perfection he once knew and had with the Father *before the world was!*

How very grateful We are, too, for the interest of these blessed lifestreams in "The Light of God that NEVER Fails" to answer every call for MORE LIGHT! That beautiful Continent of Africa once knew such great light and that perfection shall be manifest again in that land—thank God!

TO FREEDOM

A Monthly Journal Devoted to Individual Unfoldment, Contact with The Great White Brotherhood and Cooperative World Service

Volume VII JULY, 1958 No. 4

To the Beloved Chohan Paul and His Brothers and Sisters of the Temple of Liberty:

We bow in loving gratitude for all Your God-assistance all through the ages, as well as at the present time, in holding the Immaculate Concept for the expanding Christus through all mankind. This Christ-presence, when fully released, shall be the ever-expanding light of this Star.

To the Beloved Ascended Master Saint Germain and His Divine Complement, Beloved Portia:

We offer as Our willing, joyous and humble assistance, all the full-gathered Cosmic momentums of the God-energies of Beloved Immaculata (Silent Watcher of the Earth), the glorious Seven Mighty Elohim of Creation and Their Divine Complements, the Seven Great Archangels and Their Archaii, the Seraphim, Cherubim and Angelic Host, Cosmic Beings, Ascended Masters and Directors of the Elemental Kingdom, as well as those of the Holy Christ Self of each one of the ten billion life-streams who, from time to time, are using the Earth as a schoolroom of experience through embodied physical forms. We offer all of this God-qualified light and love to be used to raise the Earth *NOW* into the perfection which is Her Divine Destiny—that of becoming "Freedom's Holy Star"; the coming great perfection of which Star will greatly bless all who use It as a temporary home—not only at present but in the future as well.

"Freedom's Holy Star" is no longer just an ephemeral vision but a palpable reality, awaiting FULL MANIFESTATION through the loving endeavors of dear, unascended chelas who are serving along the lines of all Seven Rays of constructive activity.

WE DECREE THAT THIS PERFECTION FOR THE EARTH SHALL NOW EXTERNALIZE QUICKLY through such endeavors and thus be Our grateful gift to the Beloved Saint Germain, to the Beloved Helios and Vesta and to the Beloved Immaculate. Their tremendous love for the Earth has been expressed in Their constancy in holding the IMMACULATE CONCEPT for Her and Her Divine manifestation in this Solar System. Such constancy has made Her present Victory possible. Not only is this Our decree—it is also a Cosmic Fiat! To this end do We serve and to this end are all earnest chelas serving also—now awakening to the requirement of the Cosmic Moment. "Freedom's Holy Star"—We love you!

The Homes and Retreats of The Masters of Wisdom

CHATEAU DE LIBERTÉ—SOUTHERN FRANCE

(July 15th through August 14th, 1958)

The magnificent Chateau de Liberté Whose host is the Chohan of the Third Ray, Paul (called "The Venetian Master" to distinguish Him from Our Brother Hilarion Who, before His Ascension, was the famous convert of Beloved Jesus and called "St. Paul") is located in southern France. It is one of the most beautiful of the Ascended Master Foci on the Planet Earth today, because Its present Chohan is the Exponent of Divine Love, Beauty, Ascended Master Dignity and Perfection through all expressions of life.

The Focus of the Liberty Flame is located here, protected and sustained not only by Beloved Paul and the Beloved Brothers and Sisters of His Retreat, but also by the Great Cosmic Being known as the Goddess of Liberty. Liberty and Freedom are indissolubly linked together, expressing as manifestations of Deity when allowed to act through unascended mankind. Liberty, as our Gentle Readers well know, is derived from the word "libra" meaning "book" and, in this case, refers to The Book of the Law of Life—which is God's Eternal Truth. Freedom comes from the practical use of that knowledge and practical use of the Laws of that Truth through constructive endeavors to assist the human race to manifest its Divine expression, individually and collectively. Without knowledge of the Truth of God-law, true God-freedom cannot express either wisely, constructively nor permanently through any unascended being.

The Beloved Chohan Paul and His Brotherhood are primarily dedicated to the educating of mankind as to the Truth of their own Divinity. This Christ-self lives within the physical heart of every human form and Its anchorage there gives the physical heart the rhythm and energy of beating. There that Christ-self patiently

awaits CONSCIOUS LIBERATION THROUGH DIVINE LOVE to allow It to externalize Its Divine Destiny through the outer personality of every lifestream belonging to Earth's evolutions. The Symbol of our Beloved Paul and His chelas is the lovely "Fleur-de-Lis" which Symbol also has been used by the French people for many centuries as a National emblem.

The complete expression of Deity's Plan for the Earth as "Freedom's Holy Star" depends entirely upon the release of the particular gifts, powers and virtues of each Holy Christ Self through the outer form. It is now the decree of the Spiritual Hierarchy that this Christ-self of all in embodiment today, as well as the Christ-self of all who are to come here in the future, SHALL NOW BE ALLOWED LIBERTY TO EXTERNALIZE THESE GIFTS AND HAVE FULL FREEDOM TO USE THEM for the benefaction of the entire human race and the very Earth Itself.

How delighted is Beloved Paul and His Brotherhood Who have awaited this hour for so long! Silently and unostentatiously have They served through the ages up to this time, nourishing as much as possible the dormant Christ powers in those chelas who have proven themselves to be willing and ready to guard, govern and impersonally direct these powers for the benefit of the race. In the past, certain dear chelas who were feeling the natural pressure of the desire for expression from their own Christ nature, have been drawn by Our Beloved Paul and His Brotherhood to the Chateau de Liberté (more often at night while the physical body slept or, much more rarely, in the physical form). There they have been given the spiritual guidance, encouragement and other necessary stimuli to return into the outer world for service, *determined* enough to release their gifts to an unappreciative people and, for the most part, to careless, and resisting consciousnesses. These latter sometimes reluctantly accept the gifts but seldom offer to *practically* assist in nurturing the earnest endeavors of the giver.

Seeing as We do with the "Inner Eye," the resistance of human nature to *any* change (even for the better!) is deplorable indeed. So, for this reason, many good and earnest people who have dedicated themselves to the raising of the Earth and Her evolutions from their distresses, constantly require the loving protection and encouragement of Beloved Paul and His Brotherhood to help them "keep on keeping on" in their endeavors to promote and externalize that which is GOOD FOR ALL. You see, the Cosmic Law requires that this be done by those who, while still serving in flesh bodies upon the Planet Earth, must work within the rip-tides of all kinds of destructive human creation.

Although Beloved Paul is particularly interested in developing

the latent talents of the artist, sculptor and musician, He and His Brotherhood are also vitally interested in helping good men and women everywhere who are serving one or more of the Seven Rays of constructive manifestation under the Beloved Maha Chohan, Who is Paul's Superior at this time. By nature, Our Blessed Paul is a true PERFECTIONIST but, at the same time, He is very, very gentle and tolerant, in loving grace accepting the clumsiest endeavors of the least of men whose hearts desire to contribute to the externalization of the Divine Plan to be expressed by the Holy Christ Self. Therefore, at the Chateau de Liberté you will meet not only the accomplished artist but the amateur as well—whose motive is pure and who thus has deserved the personal asssitance of this Beloved Chohan and His Brotherhood.

Not only the priceless treasures of perfection produced by those who have become professional in their accomplishments, but also the less perfect manifestations of the amateurs are displayed in His magnificent Chateau. His *reason for being* is to encourage the release and expansion of the living Christ within every heart—by the giving of its gifts through the outer self. This expanding magnetic power of Divine Love is of course the nature of Beloved Paul and the aura of His Foci of Liberty.

Standing at the door of His Chateau in the majestic beauty and loving dignity which is His, He greets all aspirants who come to Him, desirous of externalizing their Divine Plan and then assigns them graciously and discreetly to the Teacher Who can best assist such an one, according to the spiritual development of each such aspirant. In His magnificently landscaped gardens, there is a great deal of beauty and perfection of Nature which some artistic aspirants enjoy at least attempting to reproduce—either on canvas or some suitable sculpturing material. Walking through those gardens as He sometimes does, He always encourages not only the more developed but also the earnest, hopeful aspirant to continue to TRY! Beloved Paul makes no distinction between the spiritually developed aspirant and the undeveloped but eager aspirant, except in His personal choice of Teacher for each such an one.

Beloved Paul and His Brotherhood not only serve within The Temple of Liberty but, also, wheresoever some sincere lifestream desires to do God's Holy Will, one or more of These Brothers or Sisters of Love always attend such an one (nearly always invisible to the physical sight). To such an one They pour Their radiation of Divine Love to sustain him in his endeavors. Thus, although such good people do not know of their Benefactors, they are able to continue in their constructive services in the face of ridicule and derision from the masses who, in good time, will enjoy the fruits of these lifestream's individualized accomplishments.

The beautiful Chateau de Liberté has been described previously in back issues of "The Bridge to Freedom," to which the Gentle Readers are referred in the footnote following this article. However, We are stressing herein the idea of the accessibility of Beloved Paul and His Brotherhood to help any one or all who desire to fulfill his or her own Divine Plan NOW—by *allowing to come into outer manifestation* his own Christ Powers for greater individual freedom of action—as well as for the benefaction of the entire race. Thus does the Earth become "Freedom's Holy Star" more quickly and the thread of the Divine Plan which is anchored within your own dear hearts is woven into the Divine tapestry thereof.

An Address by

OUR BELOVED ASCENDED MASTER SAINT GERMAIN

May 1, 1958

Beloved and blessed ladies and gentlemen who have loved Me long and served Me well—this morning it is My joy, it is My honor and it is My privilege again to cross the bridge from the Realm of Divinity into the world of form to give you My love and implicit faith in your capacity to be constant in Our service until the Permanent Golden Age is established upon this Earth. Then shall every man, woman and child know the glory of wearing "Freedom's Robes"! Then shall every imprisoned Elemental be free to live in its God-estate and every imprisoned Angel presently embodied here shall yet know the harmony and joy of again living with the Angelic Kingdom, even though these souls may be presently sacrificing for a time the fullness of their Ascension.

Thus shall the Three Kingdoms be eternally united on "Freedom's Holy Star"—Angels, men and Elementals. In this way does My Vision of the ages become physically manifest—through the loving, conscious co-operation of those who have believed in My reality; those who have accepted My life, My light and My humble endeavors to instruct them and who have given to Me FIDELITY! Now, as We begin to intensify the activities of the New Era, others will reap where these have sown. Forty years from today this Earth will show a great harvest of their earnest endeavors.

Prepare Your Successor in Service—NOW!

As I have mentioned to you several times before, again I say to you (concerning those who are to follow you in service)—PREPARE NOW for your successor among the lovely younger generation. In the Name and Authority of your own Beloved "I AM" Presence, call daily to Us to raise up those Ascended Master youth who will be interested in the expansion of Our Cause and who can be trained as you have been. Then they will be those to whom you will be able to pass the "torch" when your journey here is done; when the call comes from your own Beloved "I AM" Presence and, in dignity, you enter into your own Electronic Presence—thus becoming a Divine Ascended Being.

Of course, in the years just ahead, some of you will relinquish these bodies, having earned your "Robes of Immortality". When this does take place, I pray to God that you—each one—will have prepared at least one chela to take your place. Let us not allow it to be said of a single one who has been asked to do so, that he or she has neglected to prepare another hand to be ready in time to take from him that "torch" of Our light which he has been carrying. To have such an one prepared would be to make available an unbroken chain of consecrated service to Us and his fellowman.

Let us not repeat this time what has happened century after century in the past—that of letting the "Bridge of Light" from Our Divine Realms into yours disintegrate because the generation which drew it forth to reach great heights finally passed on to well-earned rest. Then the younger generation, being not sufficiently grounded in the instruction to be able to sustain that bridge of consciousness unbroken, could not hold for Us a continuous and ever-expanding conscious contact with unascended beings here, through which they might receive Our radiation of perfection to absorb.

Remember, dear ones, the Great Law will not hold you guiltless if you do not prepare some "torch-bearer" to carry this Light, taking your place when your course is run. The feeling of remorse is a very unhappy one. Should such a condition of affairs come about in your world—were you to finish your course here and, looking back upon the records of the life you had just lived, find a vacant place where there should be a living Flame—a dedicated youth filled with enthusiasm *for* and an understanding *of* the Ascended Master's Cause—that certainly will not make you happy!

You see, the Great Cosmic Law demands that, as We invest Our life, light and love in some chela who loves Us and declares himself ready to serve Our Cause, that chela, in turn, must give the assistance to others as he has received it. We expect each loving chela whom We have assisted to so invest his life in at least one other lifestream who, as We have said, will be able and willing to take up the "torch" from that one's hands and carry on. The spiritually awakened Oriental mind knows this Truth well—for it applies also to those who study with unascended Masters and Gurus. For every bit of light (instruction, illumination, etc.) a chela receives, that one must balance his account with the Cosmic Law by giving such assistance to someone else of lesser light whom the chela must find, interest and instruct. If the chela does not find such a neophyte, that chela is removed from the circle of those receiving further instruction until he has fulfilled that part of his mission.

Here in the West, Our beloved chelas are so good—they are so earnest, zealous and sincere. However, in the exacting and time-consuming demands upon their attention and energies in this busy Western world, they are inclined to forget their obligations to the future generations—to those younger lifestreams who are already here, as well as to those yet to come here, forgetting that teachers must be provided for the immediate as well as for the more distant future. They also are inclined to forget their obligation to Us—to balance that which We have given to them. We know that sometimes the good chelas weary a bit of hearing about their responsibility to make application upon this and that. We are quite aware of the diversity of application for all the different avenues of expression which must be called for. There are the calls (decrees) to be made for those yet to be born; those who have been born; the families into which they come while they are here; calls for the assistance to be given to souls who are finished with an Earth-life and then calls to prepare the incoming souls for embodiment here *again!* O, dear hearts! I have been all around that circle with each one of you—*many times!* Now it is your turn to take that circle of application through for your fellowman. I know you will find it interesting and most rewarding.

May—A Sacred Month of the Year

In this holy and sacred month of May, again this year many, many souls will be entering the Sacred Heart Temple, preparing to stand before Our Beloved Mother Mary Who will fashion for their new embodiment a "Sacred Heart". Of these, there will be thirty-five lifestreams who recently were released from the "Compound". There will also be many embodying who have recently come from the "Sleepers' Realm" and many of the "laggards", as well as many beautiful spirits who belong to the Ceremonial (Seventh) Ray. We are sure that many of you will want to assist those so recently come from the "Compound" *by calling for the transmutation of all their destructive karma before* taking embodiment here. You see, through old habit of thought and feeling—

resentment and rebellion have qualified the energies of their lifestreams for ages. Will you please so pray for these? Pray also, dear ones, for protecting Grace for the lovely, pure spirits who as yet know no tranish of Earth's shadows—coming as they are now from other Stars and other Planets of greater light so that, through radiation, they may help to expand Earth's light more quickly. Call that they may not take on the contagion of the shadows here as they come into Earth bodies through the best of the lifestreams We have to offer in the families which make up the masses of Earth's people.

Pray with me, too, that the Holy Mother Mary may have at Her command as She fashions their hearts, the full accumulated momentums of all the Violet Fire which you have builded into your Causal Bodies and utilized in your applications these long years. This is constructively qualified substance of your own lifestreams and, if you will, you can offer it to Beloved Mary and so make it available to purify and bless every lifestream as it passes through Her Temple of the Sacred Heart. I know you will all enjoy giving this service and I personally thank every one of you who does give it.

Visit Here of Solar Lords of Violet Fire

From the Higher Galaxies into the atmosphere of Earth during this twenty-four hour period today, when My Coronation as Divine Ruler of the Seventh Ray upon the Earth for the next two thousand year period is being honored so graciously— (not only on Earth but in Heaven's Realms as well) ,—there have come twenty-five of the Great Solar Lords from the Violet Fire Temples. These Beings are so tremendous in size as well as in power that, to the outer sight of unascended mankind, they would even appear frightening. However, they are the magnificent glory of Divine Love embodied! These great Solar Lords are on a mission of Divine light and love, enroute to the Planetary System which follows this one to which the Earth belongs. But, having been attracted here today by the glorious Coronation activities which have been so kindly prepared for Me at Inner Levels, They stopped to visit with Us for this twenty-four hour period. It is always the nature of Divine Love to be grateful for opportunity to serve for, in so doing, Divine love and light are permanently expanded. These magnificent Solar Lords desire to add the blessing of Their light to the Earth as Their gift to Me on this day.

Saint Germain's Long-dreamed-of Vision— "World Brotherhood"— Now Becoming Fact!

As you know, beloved ones, today is "May Day". Those words —"May Day"—mean so very much to Me personally for, even as

a small child, that day was always set aside for me by My mother as a sort of holiday for us both. Nicholas and Lady Bacon (in whose home and family I spent the very early years of My life) would always dress me with such care for this holiday, often placing around My shoulders a violet cape (sometimes of velvet or, if the weather was too warm for that, of some lovely lighter material), I remember thinking about that coming day all the night before as your children dream of Christmas morn on Christmas eve. Then on "May Day", My Own mother and I would go into the lovely woodland to leisurely walk and talk together, pick the early violets and, generally, enjoy the feeling of the close companionship which was denied Me the rest of the year.

Then, much later, (but also on a May day), I took My leave from all further physical embodiments upon this sweet Earth when I finally accepted the full Victory of My Ascension. I remember that day so well—the sweet fragrance of the flowers in the garden of that home in Transylvania as it came on the soft breeze through the open window of the room where I was. I remember well experiencing the feeling one has when he is obliged to leave a task not quite completed. You see, at that time, My "Utopia" was only a book; My dreams only written into the lines of the Shakespearean plays and upon the hearts of a few faithful students. If it had not been that My Superiors thought it wise for Me to take the Ascension at that time, I think I could not have left the Earth in that hour with My Vision still unfulfilled. Yet, in loving obedience to Their great wisdom, I did.

Grateful indeed am I to you, My faithful students who have embodied again and again since that time, taking that Vision into your own consciousness and endeavoring to make it real and tangible here—*practical*—in this world of form. The establishment of the reality of this Vision is taking place *first* here in your beautiful United States of America, which was brought into being through the loving co-operation of My faithful students and Myself. It shall expand and expand until It is world-wide—a great SPIRITUAL FREEDOM which has no regard for nationality, creed or color—having regard only for the light within the hearts of all people—that light which is endeavoring to illumine their souls.

We are now coming into the day when World Brotherhood shall be completely understood as an activity which raises the soul to the place where the individualized Christus of each one is externalized by the expansion of the Immortal Three-fold Flame of Eternal Truth through that soul into outer manifestation. In this New Age into which We have now entered, every lifestream, regardless of color, creed or individual status, shall externalize that Holy Christ Self!

"May Day" has become universally accepted as a day of happiness. Do you think it happenstance that your Air Corps uses the words "May Day" as their distress signal? Ah, no! There is no such thing as "happenstance". When those men are at a point of great distress in the high, blue sky and that word "May Day" goes forth from them—who answers? I do! Of course, in their *outer* consciousness they do not know that, but it is the reason for their having made "May Day" their S.O.S. call for assistance. We are interested in your Air Corps and We are interested as well in every constructive activity which takes place within the Earth, on Its surface or in Its atmosphere—for this Earth is to become "Freedom's Star". This achievement I have dreamed of for so long as I have told you often before—My Vision of World Brotherhood which I tried to force into existence here before its time. I, for one, can tell you that human feelings of disappointment do not last long when the soul is filled with Grace.

"Patience Brings Its Own Reward"

In that day long ago, before My Ascension, although the authority of the Throne and Crown of England (which I felt was rightfully mine and from which I thought I could direct the bringing about of World Brotherhood for all the Nations) was denied Me, yet the Great God of Mercy now has given Me the Throne of Eternal Freedom and the undisputed Divine Authority to be the Presiding Ruler for this magnificent Permanent Golden Age of Freedom which already has begun upon this Planet and which is four years old today!

Ah, beloved ones, in those days before My Ascension (in My last Earth life as Francis Bacon), not understanding the completeness of the Divine Plan, I wept often in disappointment because I felt so strongly within Myself the great possibilities of that which I could accomplish in the way of fulfilling My Vision, if My rightful heritage were only Mine! Within My very self I experienced "The Tempest" that comes within the feelings of the outer self when a much-desired vision is not fulfilled at the very instant when the outer mind thinks it should be. Long, long ago I was shown clearly and saw so perfectly just what was the Divine God-design for this earth. In those days, it seemed as though the only way and means open to Me to present My Vision to the world was through the Shakespearean plays and through the various articles which I wrote (some of which I was able to publish) as Francis Bacon. Finally, in that embodiment, as I have told you, one day I made a rather unostentatious departure from this world of form, making My conscious Ascension from the home of a dear friend in Transylvania.

Now I come again with My glorious Vision—a Vision of a world where there is neither cause *for* nor results *of* sin; where there is no pain, unhappiness or need for tears; where there is no disease, no disintegration and no death! In this Vision there is absolute liberty and freedom for all who embody here (at the close of his or her lifestream's experiences) to take his or her leave of this Planet in dignity and joy—in the victory of his or her own individual Ascension. Thus does each one become a wholly Divine Being—eternally free and perfect in the complete fulfillment of his or her own Divine Plan. O, dear hearts—*is not the bringing into manifestation of such a Vision worth all the loving, dedicated service you can give—at least for all the rest of this Earth life?* Many, many times all through the centuries, I have given My life for this Cause (*and to help you to personal victory as well*) and Our Beloved Morya has done the same. Now, *We must depend upon you to help Us—conscious* chelas—for to whom else can We look for such service? To this end have We invested Our life and love *so that you would be prepared to serve until* those new lifestreams are raised up to carry forward the light which you have guarded and expanded thus far.

"Hurry"—A Dangerous Habit

These days are days of great acceleration as the Earth's axis is being permanently straighted and the Planet moves rapidly forward at the same time. The entire System of which Beloved Helios and Vesta are Sun-God and Goddess is also rapidly moving forward which, of course, makes it necessary for the vibratory action of your own bodies to be "stepped up" a certain amount—every twenty-four hours—just as much as you can comfortably stand. Here may I bring to your attention this IMPORTANT point that, because of this acceleration of the speed of your four lower bodies (your emotional bodies—*feelings*; your mental bodies—*thoughts*; your etheric bodies—*memories*; and even your physical, flesh bodies) there is often the tendency to HURRY.

You see, it just naturally follows that the vibratory action of your world must accelerate as you purify yourselves more and more; then, too, it must accelerate as you accept Our assistance which comes to you through the radiation of Our light and love. This "radiation" which We give is Our very Own life—the actual substance of Our Being and that substance quite naturally vibrates much faster than do your own worlds here. So you can easily understand why your worlds vibrate faster than those of the masses of the people. Now, with the *added* acceleration of the Planet Itself,

THE MASTERS OF WISDOM SPEAK

(ON: THE EXTERNALIZATION OF THE POWERS OF THE IMMORTAL, VICTORIOUS THREE-FOLD FLAME WITHIN EACH HEART)

MAHA CHOHAN:

Every so-called "human" being has been endowed by the Father-Mother God with the priceless gift of creative power—the self-sustained focus of which lives within every "human" heart and, as you know, is known as the Immortal Three-fold Flame of Eternal Truth. *Fully developed,* this same power is acting in and through every God-free Being for, allowing the expression of *complete Mastery over all* by the Christ-self, makes one become an Ascended Master!

As has been said, this Holy Christ Self abides within this Immortal Three-fold Flame, which is held in the chalice of the beating heart of all unascended mankind. There It awaits opportunity to express Itself, releasing Its particular gifts of perfection for the benefaction of all. We have come now to the hour in Planetary and Universal progress where the Cosmic Fiat is the requirement for each such Christ-self to be given full liberty and freedom of expression. We, the Spiritual Hierarchy, truly rejoice in the issuing of this Divine Edict at this time and, at your call, We shall joyously lend every possible assistance of Our individual and collective momentums to the helping of mankind to become Lords of the Flame. This is their Divine Destiny!

EL MORYA:

As Our chelas have been told from time to time, every unascended lifestream, during the course of its Earth lives and experiences, has given more liberty and freedom to *one* of the three aspects of this Beloved Three-fold Flame than to the other two. In other words, some have developed more of the POWER aspect; some more of WISDOM and some more of LOVE. Thus, no two unascended lifestreams are exactly alike in their expression of this Immortal Three-fold Flame through the outer form. In the present era, where *perfect balance* of the emotional, mental, etheric and physical vehicles of all Our chelas must be developed, if they are to be of real and constant assistance to Us, let each one now avail himself or herself of the instruction and radiation of Our Beloved Paul and His gracious Brotherhood, especially during this thirty-day period, in order for each one to be able to develop the particular virtue of this Three-fold Flame which has not been nourished or allowed to expand up to this time.

KUTHUMI:

Primal life-essence is constantly flowing from the individualized "I AM" Presence of each lifestream into the Immortal Three-fold Flame within the heart, while such an one is in physical embodiment. The God-given gift of free-will has allowed those who have used the Planet Earth as a schoolroom to nurture and develop—as they chose—just one (sometimes two) of the Virtues of that Three-fold Flame of Love, Wisdom and Power. The fiat of the Cosmic Law already has gone forth for the setting aside of all destructive use of free-will and so We are now gratefully able to proceed with much greater speed, efficacy and freedom to teach the outer consciousness of mankind how to release the latent powers within them, as well as balance those which they have already developed.

Unfortunately, in the masses of mankind, the outer consciousness would rather revel in the use of already developed powers than undertake the more "trying" and arduous task of developing those which have been neglected—sometimes for ages! However, the accomplishments produced by the use of the already developed powers sometimes tend to inflate the human ego which, of course, results in a lack of balance in the activities and affairs of so many well-meaning people, even at this present hour! "Knowledge becomes power through use". All of the knowledge in the world of form or, for that matter, from Our Realm as well, will never set any one free *unless it is applied!* The true teacher (Ascended or unascended) encourages his or her student to *practically use* the instruction given and, upon the amount of constructive application which is made of such instruction, depends the giving of more knowledge. *Ponder on this!*

PAUL (The Venetian Master):

How rejoiced are Our hearts to have the opportunity to greet beloved chelas at the Chateau de Liberté during this thirty-day period. Be assured that you will be welcomed and instructed by Us all in the most kindly and gracious manner. As the development of the perfect balance of the Three-fold Flame in every human heart is Our particular *reason for being,* you can at least partially understand what this opportunity means to Us in this World Hour. Let no chela, no matter how diffident or self depreciative he may feel, neglect this opportunity to come to Us

here, because often, within the humblest of hearts and the simplest of forms, the greatest light abides. The very quality of true humility (often expressed in the feelings as unworthiness of Our assistance and instruction) is the open door to such assistance. It is not the prideful egotist but the *gentle* man who is the hope of the world!

SERAPIS BEY:

Invocation of the Powers of the Sacred Fire have been practiced on Earth ever since the time the Holy Innocents first accepted the hospitality of this Planet. After the so-called "fall of man", much of the Power of Invocation became a travesty of this Sacred Ritual and some of the unfortunate results of this manifest to the present day. Having witnessed this mis-use of the true Power of Invocation from the Lemurian and Atlantean Ages, as well as the destructive activities of the men and women who called themselves Priests and Priestesses in My beloved Egypt, I am delighted to help at this time to restore the Power of GOD-invocation through chelas interested in learning how, *impersonally,* to undo the terrific chaos created by the wilfull and rebellious use of this Sacred Ritual in the past.

Egypt was once a land of great light but, as you know, It has sunk into a land of comparative darkness, due to the nefarious practices of the Priests and Priestesses referred to above. The whole continent of Africa has reaped the unhappy harvest of the subtle as well as open defiance of God's Will. Egypt shall become again a land of great light! Luxor and Its Priesthood shall expand that light and dissolve forever the present humanly created effluvia which lies like a heavy fog over Africa, Its people and even the Nature Kingdom! Those lifestreams now in embodiment on Earth who, in the past have contributed to the creation and sustaining of this distress, not only have opportunity to participate in Egypt's redemption but, besides, such lifestreams are now required by Cosmic Law so to do! For this The Brotherhood at Luxor and I are grateful indeed. To this end, I shall seek out *personally* every unascended lifestream now embodied or otherwise who had any part in the creations of this distress and charge them with My feelings of loving, joyous enthusiasm to help Us in this redemptive process *now!* I am *determined* that My love shall draw these forth and cause them to serve men willingly!

HILARION

Invocation of the God Powers is a *true science* and must be learned, as is all other science, carefully and methodically. As the

primal life essence flows from the "I AM" Presence of each lifestream into the Immortal Victorious Three-fold Flame in each physical heart, the Blue Flame qualifies that energy with the *power* to do practical works in God's Name; the Golden Flame *illumines* the outer mind as to the constructive use of such power and the Pink Flame directs the illumined power through *love* for the benefaction of all life. When only one or two of these activities are developed, the science of God Invocation is not balanced and, without exception, the lifestream endeavoring to so use the powers of Invocation finds himself in distress. This unfortunate situation has caused many over-zealous people to both invoke and manifest distresses for themselves and others and create, temporarily, the chaos to which Our beloved Brother Serapis so forcibly refers. Therefore all logical minds (which, under the Fifth Ray, are those with whom We deal primarily) will understand that the learning of the science of invocation is essential to redeem personal, continental and planetary karma in this world hour. To this end We, the Brotherhood at Crete, offer Our services, grateful indeed for the opportunity of helping our beloved Brother the Ascended Master Saint Germain to create the necessary atmosphere for World Wide Brotherhood—so long His Vision and NOW to become a fact!

JESUS:

As at least some of My ministry on Earth in My final embodiment here is so well known to many of our Gentle Readers, I am sure that they will cognize the fact that, in that embodiment, I constantly availed Myself of the power of Invocation of Divinity through the use of the Name of God—"I AM"—for the blessing and benediction of the entire human race. Herein was My safeguard because the invocation of powers *less* than Divine also bring a response from the consciousness so invoked! Intent upon building some manifest expression of their own outer conciousness, for ages of time (and even in this present day), good people sometimes have invoked lesser powers than those of the God-presence and thus have been caught in the meshes of psychic creations.

Now I offer to all students on the Spiritual Path invincible protection from any such further mistake—conscious or unconscious. Always calling FIRST to your own individualized "I AM" Presence and then using My Name—the Ascended Jesus Christ—(which Name carries all the full gathered momentums of perfection of My lifestream) as a preface to any and all God-invocations made by them, will bring God-protection always. For instance, you may say: "In the Name of my own Beloved "I AM" Presence and in

the Name of the Ascended Jesus Christ, I now invoke whatever powers of the Sacred Fire are needed here and now for the blessing of my fellowman, the dear Earth and my own being and world. Keep these blessings ever-flowing, eternally sustained, all-powerfully active and ever-expanding here!"

We can do no more than offer you Our loving, willing and joyous assistance. It is yours to accept or reject, according to your use of your own free-will. Fortunately, I am among the few of the Spiritual Hierarchy most readily accepted as an authority in spiritual matters. For this, I am so grateful!

SAINT GERMAIN:

How delighted I am, particularly at this time, to have the services of those dear unascended lifestreams who are proving themselves to be vitally interested in the making of our Planet Earth "Freedom's Star." Be assured that, at your call, every possible assistance of the Violet Fire Temples and all of Our Legions will joyously assist you in the redemption of the destructive karma created in the past by yourselves and others.

Although our Beloved Brother Serapis seems so fiercely determined in His promise to seek out all who have created temporary chaos upon the Planet Earth (especially in the land of Egypt), this very determination on His part is born of His great love and desire for the eternal personal freedom of all who participated in creating the causes and cores of those distressing conditions which manifest in Africa today. He knows full well that the more of such karma which is consciously transmuted by its creators, the greater will be the expanded spiritual light of each lifestream so participating in this service. Ultimately, of course, this will result in the Ascension of each such an one.

The subject of Invocation is very dear to My heart, as it is My *reason for being!* I assure you that, on the Planet Earth at this time, *only the very surface* of the magnificent Ceremonies and Rituals of the TRUE WHITE ORDER have been touched as yet by the minds of men. After the complete sublimation and transmutation of the chaos of mankind's destructive activities which have shrouded the Earth, your hearts will delight in the beauty and perfection of the New Age—which Perfection shall take the place of the former unfortunate creations. This New Age is much closer to outer manifestation than your dear hearts realize. Thank you, beloved ones, for persevering in Our service—sometimes in the face of almost insurmountable obstacles—continuing in this redemptive process which is being made manifest in My Name. *I love you beyond the ken of human mind!*

BELOVED SAINT GERMAIN (*Continued from page* 11)

you sometimes individually feel the tendency to hurry and *hurry* always brings distress of one kind or another.

It is very necessary for the chela to clearly understand this at the present time so that he will *consciously* control these feelings. Calling to any of the Ascended Host (particularly to Beloved Guatama—New Lord of the World) in the Name and Authority of your own Beloved "I AM" Presence and asking us to charge your world with Our feelings of PERFECT BALANCE in all your activities, will enable you always to take THE MIDDLE WAY. This will enable you to enjoy and benefit by this *natural* acceleration which *must take place* as our Planet Earth moves into the orbit of Uranus, first—and, later, into the orbit of the Planet Venus (the "Love Star") in the System above.

Such a conscious, watchful control of your energies will enable you also to enjoy, *in practical daily living,* greater emotional stability, mental alertness, etheric clarity and more physical strength and energy—all of which will allow you always to hold the feelings of balanced poise, dignity and general self-control which are the God qualities and real nature of the Seventh Ray and all who sincerely serve Me and My Cause. Remember! You now belong to the Royal House of Freedom! You are accepting My life and love, using My Name and representing Me to the world. In this regard, to the very best of your individual and collective abilities, I know you will endeavor always to represent Me worthily!

O, We are such happy Beings and sometimes, informally, We laugh and just enjoy life. However, there are other times when We are embodied dignity and there will be times in your own personal experience yet to come when that magnificent quality of Ascended Master dignity will stand you in good stead, *were you to develop it now!* There will be times in the near future when the qualities which are Mine as Lord of the Ceremonial (Seventh) Ray and which I would like you to allow Me to invest *in* you, will help you through certain experiences through which you shall let pass. Will you give Me opportunity so to help you?

Desire for "Place"—A Human Quality

Beloved ones, let Me speak for a moment upon the question of "place" which seems so important to unascended beings. In the Ascended Masters' Realm, We are all ONE in the desire to have the Divine Plan fulfilled all ways everywhere. Our desire is always to have made manifest the greatest good for the greatest number. Each of Us has a certain gathered momentum of perfected qualities which We offer in the service of producing such perfection and

each of you also has such gathered momentums of perfection, stored in your Causal Body. When there is a requirement for the use and expansion of some Divine quality, whether it be Faith, Protection, Divine Love, Tolerance or whatever it may be—*any one* of the Spiritual Hierarchy offers Himself or Herself to fill that place or render that service.

For instance, think of the great sacrifice of Our Beloved Sanat Kumara Who, for Love's sweet sake alone, took leave of His beautiful Planet Venus and His Loved Ones there, to blaze the redeeming power of His light and Love upon a Star which had fallen into great distress because of the shadows brought here by the "laggards" from other Planets which had moved forward into greater light. Then, abiding in the lovely Shamballa which had been builded for Him by those of His Own people who had come to prepare a place for Him, He also filled the Office (for a time) of the Chohan of the Seventh Ray—always graciously willing to give whatever service was needed at the moment for the greatest good of all. Beloved Gautama also held that same Office as Chohan of the Seventh Ray in days gone by.

Our Beloved Nada made Her Ascension many, many centuries before the Beloved Jesus—yet, today, as Beloved Jesus and Kuthumi in combined service, have taken the Office of Cosmic Christ and World Teacher, Beloved Nada has accepted the post of Chohan of the Sixth Ray, where She is serving with great Grace. Beloved Lanto, although having fitted Himself for service in the Higher Planes, in July of this year is taking over the Office of Chohan of the Second Ray. So, you who are so vitally interested in Our Cause and serve Us well in these momentous days—consider not the importance of your particular *place of serving*. Just be grateful for opportunity to release the full gathered momentums of the good which is in your Causal Bodies to anchor and hold this Activity firm and immovable in the power and powers of Love Divine, until We can reach the masses of the people and until SPIRITUAL LIBERTY has been added to POLITICAL LIBERTY which, as a gift from Myself, America has known. *Upon you I depend for this assistance in this day and hour.*

Gossip—A Most Destructive Practice!

Before we close the address today, may We lovingly request that all of you, individually and collectively, call to Beloved Pallas Athena (Goddess of Truth) as well as to the Beloved Goddess of Liberty and Goddess of Light, to loose Their mighty Light Rays into the causes and cores of all gossip and remove them, cause, effect, record and memory forever! Beloved ones, I tell you that, as an *unascended* being, I suffered much from that human quality.

As an *Ascended Being,* I can truthfully say to you that *gossip can do more harm than physical murder!* As Roger Bacon you know that I was called a "charlatan" and that as I walked the streets, women would cover their children's heads with their aprons lest My shadow fall upon them.

Now the only thing I was doing in those days was endeavoring to teach some brilliantly minded men who had no money to pay for an education. Most of the professors of that day exacted large fees while I asked for none. I lived on little more than bread—a small sustenance indeed and that which I did was quite harmless. However, the fact that I was not living up to the code of the other professors in the school caused gossip to spread. They thought that, in the little dark room which we used, we were performing feats of "black magic" when we were studying only geography and calculus.

As Francis Bacon I again took the lash of gossip upon My shoulders but that time *voluntarily*—to save the face of England's James who had conveniently borrowed all of the money from the national exchequer. Even today, on the records of English history, the name of Francis Bacon is not yet cleared. However, so far as your worlds are concerned and the worlds of all connected in any way with Our Activity, *let no one have anything more to do with this unfortunate human habit!*

Now, although there is still much which I could say to you today, let Me close with these few words:

You are My dearly beloved children! In you I have invested My very life and My faith that, as I place in your hands the protection and sustenance of the Seventh Ray and Its glorious activities (as It takes Its dominion here upon Earth), you will all be *constant* and *steadfast* in this service until My Beloved Portia and I can stand forth visible and tangible to all. Then the veil of maya will have been forever parted, and We shall be able to take Our places as the King and Queen of the New Era of God-freedom—the PERMANENT GOLDEN AGE which already has been begun upon your Faith in Us and which, I know, you will sustain and expand for Love's sweet sake! Thank you and Good morning!

BELOVED CHILDREN OF GOD WHO ARE SO INTERESTED IN EXTERNALIZING YOUR DIVINE PLAN WHILE YET UNACENDED:

I am so grateful that this heart-desire is now manifesting through you. I cannot too highly recommend to you the priceless assistance

of My Son, Beloved Paul Who, together with His Brotherhood, live but to help you to loose the Christ-powers of your very own lifestream—not only for your personal freedom but for the benefaction of this sweet Earth and Her evolutions as well. These Powers have laid dormant for so long within the Immortal Three-fold Flame of Eternal Truth which abides within your beating heart. Many of the earnest students have the WILL (desire) to do God's Will by the loosing of those Powers, but know not the WAY to let Them manifest! Beloved Paul and His Brotherhood will teach you patiently and kindly if, in all sincerity, you will ask Them so to do; then practically use the suggestions and instructions they give to this end.

Of course, *true humility* is one of the prime requisites for each chela who asks for the assistance of Beloved Paul. Even the slightest bit of selfishness of the personality must be transmuted by the aspirant in the use of the Violet Fire before Beloved Paul can encourage and accelerate the development of greater latent powers —for only then is it proven that such an one is worthy to use them *impersonally* for others.

As the Beloved Paul will one day become My Successor as the Maha Chohan (Holy Spirit) to all the Earth and Her evolutions, there is a special affinity between this blessed Chohan and My humble Self.

Both Beloved Paul and Myself eagerly and hopefully await your coming to this Retreat, for We shall enjoy meeting you there while your physical bodies sleep or as you may care to join Us through the marvelous avenue of Liberty and Freedom—the use of "projected consciousness"—which gift has been given you through Grace. Come to Us here and let Us show you how to loose into practical outer manifestation NOW the dormant Christ-powers of your own lifestream through the outer self and how to sublimate all human and selfish desires.

Love and blessings—

MAHA CHOHAN

GROUP INSTRUCTION LETTER TO TRANSMISSION FLAME CLASS

HEART-FRIENDS OF FREEDOM'S LIGHT:

God bless you—every Gentle Reader—with the *fullness* of all the power and glory of FREEDOM'S LIGHT—for His God-virtue of Freedom is inherent within all manifest form and is one of the most important of God's gifts to His creation.

" 'I AM' (is) the light that lighteth every man that cometh into the world. . . ." said the Beloved Ascended Master Jesus. The focus of that light *in our individual worlds* is the Immortal Three-fold Flame of God's Eternal Truth and Reality, anchored right within our beating hearts! Connected to that Three-fold Flame in the heart and sustained by the radiating light and love from It, is a tiny "point" of crystal-pure light (let us call it an "electron") in the heart-center of every cell of our bodies.

You will recall that Beloved Jesus said: "The light of the body is the eye and, if thine eye be single, thy whole body shall be full of light. . . ." The above is the King James translation of this Bible verse, with which translation most of us are familiar. However, Our Beloved Jesus has told us that the *correct* translation of that verse as He gave it originally should be: "The light of the body is the 'I AM' and if that 'I AM' be the ONE (single) authority in Thy body, thy body shall be filled with light. . . ." Did not Beloved Jesus PROVE this when He was transfigured on the Mount and did He not always identify Himself COMPLETELY with the Father—especially in His statement—"He that hath seen Me *hath seen the Father* . . . for the Father and I are ONE!" God is LIGHT—and LIFE—and LOVE!

Beloved ones, that LIGHT is also the *reality* of YOU and is the FULL AUTHORITY OF PERFECTION over everything human, if the personality consciousness would only accept that Truth and surrender to It! This "surrender" (which is so feared by that outer self) is merely the letting go of every human limitation and entering into the God-world of happiness, peace and the abundant supply of every good thing which, we have been told so often, God has prepared for us from the beginning! *We once knew and had it all—before the world was!*

This God-light is now arising within the innermost being of every sincere lifestream who really wants to live the constructive Way of Life and wants to serve it to the best of his or her ability.

THAT LIGHT IS TAKING ITS DOMINION NOW—in the Earth, on Its surface and in Its atmosphere. That was Its God-dominion here in the beginning, before human shadows manifested their attendant ills and distresses of every kind. "The Light of God NEVER Fails" to fulfill Itself and, through Divine Love, Patience, Illumination and Cosmic Christ Merciful Forgiveness, redeem all into God-perfection again. Now—TODAY—is the day of that God-dominion which is outpicturing more quickly than most realize.

To the end of manifesting Earth's complete freedom more quickly, the daily rhythmic use of the following decree by our devoted chelas will be of tremendous assistance as She arises out of everything human into all that is Divine becoming "Freedom's Star" in our Solar System.

May we gently suggest that, since at present there are so many more in numbers of conscious chelas living on the Continents of Europe and North America than there are on the other five Continents (South America, Asia, Africa, Australia and Oceania) some of the chelas living either in Europe or America might enjoy giving the selfless service of making the decree first for their own land and then repeat it for one of the other Continents of their choice. As we know, the blessed Continents of Asia and Africa are *teeming* with unascended lifestreams, many of whom need tremendous help to arise out of human limitations and distresses. Recently, too, our Beloved Saint Germain has asked for the assistance of as many chelas as would care to do so—to give this assistance to our beloved South America, thus helping to more quickly prepare It for the incoming Seventh Root Race, of whom there are so *very few* in embodiment at this time—so far as we know—not more than two or three. The Continent of South America will be the land into which the majority of this Race will embody, for that Continent is to be the heart center of the Permanent Golden Age on Earth.

If there are any who are interested in helping to purify the Seven Seas also, these are: North Atlantic, South Atlantic, North Pacific, South Pacific, Arctic, Antarctic and Indian Oceans.

Remember all ways! "The Call COMPELS the Answer", especially when that call is made in the Name and Authority of the "I AM"—for this is God's very Own Most Holy Name (so said God to Moses long ago) and the CREATIVE WORD of the Universe—used by all God-beings everywhere for that purpose—not just on Earth! (Bible—Gospel of St. John, Chap. 1:1—"In the beginning was THE WORD . . . . and without THE WORD WAS NOT ANYTHING MADE THAT WAS MADE . . .")

SUGGESTED DECREE

Beloved Mighty Victorious Presence of God "I AM" in me and Beloved Mighty Astrea! LOCK Your Cosmic Circle and Sword of Blue Flame of thousands of Suns from the Great Central Sun in, through and around the cause and core of all destructive etheric records and all destructively qualified thought and feeling forms, in, through and around or driven against the Continent of . . . Its government, Its people and Its resources; individual or collective, past or present, known or unknown, today and forever, as well as the desire and capacity to create any more. CLOSE IN UPON THEM ALL and transmute, transmute, transmute them all, cause, effect, record and memory, *before* they can act, manifest or longer be sustained. Transmute them all into the Cosmic Three-fold Flame in the full power of the Three times Three! (Repeat this far three times and then say to conclude: "and the FULL POWER of the Thousand-fold Flame of the Sacred Love of the Sacred Fire, in all-transmuting Cosmic Power, doubled each instant of each hour, until all are wholly ascended and free. In full faith I consciously accept this done RIGHT NOW with full power!

Grateful for opportunity to Serve, I Am

FRANCES K. EKEY

DECREE FOR FREEDOM'S LEGIONS

In the Name, Love, Wisdom, Power and Authority of my own Beloved "I AM" Presence, the Immortal, Victorious Three-fold Flame of Eternal Truth within my heart, Holy Christ Selves of all mankind, Beloved Saint Germain and Portia and all the Ascended and Angelic Host Who direct and serve The Seventh Ray—the Violet Transmuting Flame of Freedom, we decree:

UNIFY us as Freedom's Legions—
Hold us all together!
Make and keep us one in purpose
In fair or stormy weather.

Now protect—perfect us—
Supply us with all good;
Help us walk in Mastery
As Freedom's Legions should!

Saturate our feeling worlds
With God's forgiving love;
Let us radiate the joy
And peace of Comfort's Dove!

Let us humbly work together
In co-operation true;
Let us selflessly serve life
As Ascended Masters do!

Charge us with enthusiasm
Freedom's Cause to serve;
From the service we have offered
Never let us swerve!

Let the good of our lifestreams
Now be used as part
Of all that's needed here to form
Blest Morya's Diamond Heart!

And in full faith, I consciously accept this manifest, manifest, manifest—right here and now—with full power!

(Note: It is suggested that perhaps some of our Gentle Readers would care to use the above lines at least once every day. It is especially recommended for use by all groups—to be used at least once in each meeting. Of course, AFTER using the first word "Unify" to qualify your call, the lines can be repeated using some other needed God-quality, such as "Purify us . . ."; "Harmonize us . . ."; "Prosper us . . .", do you see? Thank you for your loving co-operation all ways!)
